At Roth Elementary, the teachers, staff, and Parent/Teacher Organization (PTO) all focus on providing students with the best educational experience possible, whether in or out of the classroom. In order to do this, PTO raises money for the school to help put on events for Roth students and families and to purchase needed equipment and supplies not in the school's budget.

Last year, PTO raised enough money to purchase two playground shade covers so that students will be able to play on the equipment during Houston's hottest months. We also purchased 12 iPads to add to the current technology cart and a new sound system for the gym. PTO sponsors events like Grandparents' Day, Dudes & Donuts, Divas & Donuts, and Family Movie Night. None of this would have been possible without the generous donations we received from individuals and companies in our community.

To continue offering Roth students a top-notch educational experience, PTO would like to provide the school with more technology and enrichment programs for the 2018-2019 school year. Our goal this year is to raise \$10,000 through individual donations and business sponsorships. This is quite a goal to achieve, but we know we can attain it by partnering with individuals and businesses that care about the education of our students.

Supporting Roth PTO through monetary donations provides an opportunity to promote your company and to support the teachers and students of Roth Elementary. Please consider sponsoring at one of these levels:
